

FLAGS FOR HEROES

A Fundraiser for Wreaths Across America

What is a hero? *"A person who is admired or idealized for courage, outstanding achievements, or noble qualities."* Do you know someone that is a hero? Of course you do, everyone does! A hero could be a veteran, active duty military personnel, firefighters, EMS, police officers, health care workers, your local pastor, etc.

Now you can honor them by sponsoring an American flag in their name. Each sponsorship is \$50. The flags will be displayed at East Berlin VFW on Veterans day and East Berlin Union Cemetery on National Wreaths Across America Day and Memorial Day.

All funds raised will be used to purchase wreaths to place on Veterans graves. The wreaths will be placed on National Wreaths Across America day in December. You can join us in the cemetery at 12:00 Noon for the service and to lay wreaths. The flags will be on display at the cemetery.

Each sponsored flag will have a personalized medallion with the name of your hero on it. You can receive a duplicate flag medallion as a keepsake of your donation.
